

Communication

Date	30 June 2026
Team ID	
Project Name	Smart lender
Maximum Marks	1 Mark

Communication Plan:

Effective communication is essential for a successful project demonstration. This document outlines the communication strategy used within the team and with stakeholders throughout the project lifecycle, including how updates, issues, and feedback were managed.

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team Standup	Daily	WhatsApp, Google Meet	All Team Members	Discuss daily tasks, assign work, and review progress.
2	Progress Update	Weekly	Google Meet, GitHub	Team Members, Project Mentor	Review completed work, track sprint progress, discuss upcoming tasks.
3	Issue / Bug Discussion	As Needed	WhatsApp, GitHub Issues	Development Team	Identify bugs, discuss technical problems, and implement solutions.
4	Stakeholder Review	Bi-Weekly	Google Meet	Team Members, Mentor	Demonstrate project progress, feedback, improve the application.
5	Final Demo Rehearsal	Once	Google Meet	Entire Team	Practice the final project presentation, ensure all features work correctly.
6	Deployment & Repository Review	As Needed	GitHub, Render Dashboard	Development Team	Verify deployment status, resolve hosting issues, maintain the project repository.

Communication Challenges & Resolutions:

S.No	Challenge Faced	Resolution / Action Taken
1	Difficulty coordinating team members due to different schedules.	Regular meetings were scheduled through WhatsApp and Google Meet to ensure everyone stayed updated.
2	Deployment errors while hosting the application on Render.	Dependency issues were identified, the requirements.txt file was updated, and the deployment configuration was corrected.
3	Integration issues between the Flask application, SQLite database, and Machine Learning model	The team performed collaborative debugging, validated data flow, and tested all modules before final deployment.
